

Aidan Daniel Sloppy

Hi, I'm Aidan, and to me, Jesus is an example. He's someone who wanted to change the world, and he's also someone that people say I look like. He wanted the world to be peaceful. Through the church, we look for guidance, and celebrate the peace that he's created. I would like to thank Amy for creating chaos, and Pastor Scott for being the most laid back, easy going Pastor ever.
