Jesus to me is my savior, my rock, and my leader. He is important to me because he teaches me many things and forgives my sins. To me, being a Christian means always putting others before yourself and helping them with whatever they need. God has given me the gift of being able to sing and I plan to use it to spread joy and happiness to everyone. This year in confirmation I have learned that you should not cause chaos within the church, and many other valuable lessons. I plan to be involved in the church by teaching the younger children and sharing my voice with the congregation. I would like to thank my family, friends, and the congregation for supporting me throughout my life here at St. Paul's, Pastor Scott for making church fun, and last but not least, Amy for always being there for us and making confirmation class enjoyable.
