

Andrew Robert Haverly

Hello. My name is Andrew. Jesus is my Savior and the Son of God. Jesus is important to me because he has saved me from all my sins. To me, being a Christian means having faith in Jesus and faith in Jesus means helping others who need it and being the best person you can be. In Confirmation class, I have learned that God will always forgive me and that I must always do the right thing and to never cause chaos within the church. The Church is like a soccer team where everyone has their own part. The Church functions best when everyone is working together. After Confirmation, I plan to be involved in the Church by going on mission trips and helping with church services.

I would like to thank my family for always making me go to Sunday School even though I never wanted to get out of bed in the morning. I would like to thank Pastor Scott for being funny and weird at the same time, while teaching us how God wants us to live. I also want to thank Amy, our teacher, and I would like to pray that she stops getting injured all the time.
