

Brody Swab

Good Morning,

My name is Brody Swab.

Jesus to me is someone I can always talk to no matter what when nobody else is there. I look to Jesus when I need to talk or just to get away and get stuff off my chest. The most important thing I have learned is that Jesus is always there for us no matter how bad of a day, how many bad things you do, he will always be there. Over the past couple of years I have learned about Pentecost, baptism, communion, and many others. My favorite part was hanging out with all my friends and going to Panera and last year going down to Lutherlyn and doing Submerge. Being part of St Paul's is important to me because this is where I grew up going to church and meeting lots of new people and lots of new friends. I plan to be involved by coming back to church often and being active. I would like to thank P Scott, Amy, my parents, and last but not least my confirmation group for making this a great class to be in.
