Good Morning! Most of you know me, or have seen me here at Church... Or at least I hope you have... Probably not, I'm not here all the time, but try to come when I can. The last 11 years at Saint Paul's has taught me a lot and has helped me in becoming the person I am today. To me being a Christian and follower of Jesus means you made at least one good decision in your life, because of all the things that come with accepting and believing in Jesus,... like having someone to voice your sin and problems to, someone to ask for help, someone you know will always be there for you.... Over the past 3 years, I have learned about many of the stories of the bible in confirmation to get the basis for my religious journey to follow. I plan on still being involved in the Church by coming when I able and volunteer when I can. In conclusion I would like to thank God first and foremost for giving me the great life I have, my parents and the church community.
